“ Alexandria,
My sister and very dear friend!! You will be missed GORGEOUS!! Every day since you transitioned, I have read every morning inspiration you texted me, always starting the sentence with, "Good morning Gorgeous". I hear that song and think of you. You were a beautiful soul and I am forever grateful to have known you and your kids. As the song states, "Though I'm missing you but I'll find a way to get through, living without you, cause you were my sister, my strength, and my pride only God may know why, still I will get by". Take your rest and wear your crown GORGEOUS!!
Missing you,
Katrina
