

## Alice Waneta Arner Sloan

September 3, 1958 - November 16, 2022

Our one-of-a-kind, beautiful mother Alice Waneta Arner Sloan gained her angel wings on November 16, 2022. At the age of 64. She was at home surrounded by loved ones. She was born in Houston, Texas on September 3, 1958, soon moved to San Antonio, Texas in 1963. Alice was very unique; she had a heart as big as Texas. She was a wonderful & amazing Mother who was always there when we needed her. Momma had many friends and was loved by anyone who graced her presence. Growing up she adored her younger brother and sister (Bruce & Kiki), then as an adult her passion was being a registered nurse and saving lives, she cherished her grandchildren & her daughters with every fiber of her being! Her eldest daughter Ashley was her person she'd say. She was preceded in death by her father Theodore Frank Arner (TF) and her mother Waneta McElroy Sutherlin Arner, her sister Christyn Maureen Arner (Kiki) grandparents: Rev Ted & Maurine McElroy Sr. She is succeeded by her daughters: Ashley Jenelle Arner Martin, Korey Leigh Evans & Leigh Ann Templeton; grandchildren: Joshua Randolph Brady, Bayleigh Waneta Jennelle Brady, Kayleigh Marie Rendon, Faith Nicole Rendon & Taylor Williams. Her brother: Theodore Bruce Arner, sister-in-love: Shawna Lynn Arner, nieces: Cecilia Alene Deutsch & Christy Amanda Preece and only nephew: Aaron Scott Arner.

Ashley's father: Forest Albert Dinn III and last but not least her fur sister Quatro. Forever in our hearts, until we meet again. Your presence here on earth will be truly missed! This is not goodbye Momma, but until we meet

again.

“ Alice was a beautiful lady with a sweet spirit. She treated me as if I were one of her daughters. She would call me and we would chat about whatever came up (Ashley mostly) she would always say don't tell Ashley ., she never hung up without saying that she loved me. She was unapologetically Alice and she will be missed. ❤️

*Alice was the most wonderful Sister in the whole world. I miss you soooooooooooooo much. I always remember her and puppy when they lived here with us. I would look forward to our coffee and conversations!! I so wish I could call you up on the phone and have a 2 to 4 hour conversation again!! I always hated getting off the phone with her cuz we had so much fun and laughed sooo hard over our memories. Alice would want us all to remember that she loved you and misses you!! She loved each one of us with her whole heart. I love you Alice Waneta Arner Sloan!!! Your great grand daughter is so beautiful!! Ashley is a BEAUTIFUL Grandma now and is loving every minute of it. She soaks it all in and you can see that on her face as she looks at Kynleigh Janelle!!*
