“ Brucie you were a blessing to Betty Sue and I. You brought a lot of funniness and laughter to us. I will have to find someone else to try to get one over on as you tried to do to me. Everyone will miss you. You told us you were saved and that's was a blessing to us. We will see you in Heaven. Love you! Gene and Betty Sue.

“ I was s to saddened to hear of Bruce's passing. Our families were neighbors when we were kids growing up in Bluff Park (Hoover, AL). In recent years my husband would see Bruce occasionally in MS where he was living near his sister Marlana. Our prayers are with his family.
