“Christy my girl... She was my friend my sista 💕 My memories of Christy go for years I met her and Steven in 2009 working at Disney. No matter what where or when we would call each other and vent laugh complain or just gossip. I watched her girls grow into beautiful women. And she watched my Littles grow and build families. I am a Breast Cancer Survivor and Christy and Steven helped me fight every step of the way. Life will not be the same again without you my Girl. Until we meet again save me a seat. 💕💕
