

Daniel Howard Schmittling

August 6, 1962 - July 8, 2018

Daniel Howard Schmittling passed away on Sunday, July 8, 2018, at the age of 55. He was a resident of Lumberton MS. He is survived by his long-time partner and love of his life, Cathy Schulman, his son, Samuel Schmittling, and his brother, Brian Schmittling.

He was preceded in death by his mother, Sharon Schmittling Swan and his father, Cletus Schmittling, as well as his brother, Thomas Schmittling.

He worked offshore as a cook for Sonoco Catering of Houma LA.

Daniel enjoyed riding motorcycles, camping and fishing.

He was a simple person who tried to do and fix everything himself. The one thing he could not fix was the dreaded lung cancer, which spread to other parts of his body. He was a strong person who put up a good fight, but the cancer won the war in the end.

Daniel will be missed forever by his soulmate, Cathy, and is now resting in God's arms.

There will be a memorial gathering at a later date. All who knew him will be notified.

“ *Daniel and I have been a couple for 11 years, and we loved each other very much. I will miss him always. I cannot believe that he is gone, it all happened so fast. He was doing everything right to get through his chemo treatments, but in the end the cancer and the chemo combined took his life. He is the love of my life and I will carry him in my heart forever. The pain of this loss is truly devastating.*

“ *Daniel was going to be our future son-in-law, he will be missed very much, he always made us feel like part of his family, he was a man of few words, but when he had something to say, he got your attention. He made us laugh, we will miss him with our heart and soul, our daughter Cathy is definitely feeling the pain of the loss of her life.*
