“ *I will always remember how excited I was to visit him at his house in Metairie, swimming in the pool, and him working the grill (BBQ hot dogs!). I wasn't very old but those memories have stuck with me all these years.*

“ *Loved to share many a day with frank. Would always tease and joke with him. Always remember the time he came to Alburn to watch his niece and my granddaughter to play softball. He had a dry wit and sense of humor. Hate we did not get to visit him in the last few months. He will be greatly missed. Love to the family.*
