“ George was one of my best friends and he will be missed dearly! I am so heartbroken right now! But, I know he has been reunited with his wife, so I know he is happy and at peace! I pray for his family and I am so sorry for their loss! It was truly a blessing to have known him the short years that I did and he will forever have a special place in my heart! He always had a smile on his face and always went out of his way to make sure I did too! I love you! RIP my dear friend!
