“ I only knew Mr. O’Neal for a short period. I knew when I met him that he was a man who loved his God and loved his family very much. I could tell that he knew that his time here on earth was short and he wanted everyone to know how much he loved and cared for them and he was going to show that before leaving. He kind of reminded me of Jesus preparing his disciples for his leaving. I admired that about Mr. O’Neal. Ms. Ellen, Kelly and everyone, you are going to miss that kind man! But, remember, that we all love you and keep those memories at the forefront of your thoughts and also remember that God loves you and you will see your husband, your Dad, your brother some day soon! We love you and we are praying for you!!
