

## Jimmy Smith

December 12, 1953 - May 31, 2026

It is with a mix of heavy hearts and a few "classic Jimmy" stories that we announce the passing of Jimmy Smith.

Known as "Heartburn" and for his Jerry Reed fashion choices, Jimmy lived life on his own terms and never met a stranger. He spent his best days painting, hunting, and fishing, and we're pretty sure he's already found the best seat in the house where he is now.

Jimmy passed away on May 31, 2026, at Forrest General Hospital. He was from Seminary, MS and 72 years old. Born on December 12, 1953, in Mississippi, Jimmy was the son of the late Charles E. Smith and Erna Evans Smith.

Jimmy was a retired painter and if you knew him you knew that he was "nationwide" and he would say "If you see me holla at me". That caused his close buddies to call him 2Pac. His favorite singer was Randy Travis with "On the other hand" being his favorite song.

He is preceded in death by his parents; Charles E. Smith and Erna Evans Smith, and sisters; Allie Lucas, Evelyn Flynt, and Lillie Mitchell.

He is survived by his sister; Glenda Jones, and two brothers; Howard Smith

and Tommy Smith, and a host of nieces and nephews.

In lieu of flowers/donations, Jimmy would probably just want you to play a Randy Travis song in his honor.

We will be gathering to celebrate his life on June 20, 2026 at 2:00pm at 10 Riels Rd, Seminary, MS 39479. Come as you are—Jimmy certainly always did.

Revelation 21:4

He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away.

John 11:25-26

Jesus said to her, "I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live, and everyone who lives and believes in me shall never die. Do you believe this?"
