Daddy you left this world at our morning coffee ☕ time. It will never be the same without you to talk to and keep me updated on politics. I will always love you with all my heart. Kiss my loved ones and save me a spot in heaven next to you. 🙏👼🙏💕

Joe, we were not only brothers, but best friends all of my life. We worked together twice, and worked in the same field another time. We took care of each other all of that time. It's going to be lonely for me and Brenda on this hill without you here.

Uncle Joe, you are forever with me in my heart. I love you so much and have so many memories of you growing up. Give mama hugs for me.
