“ I was Blessed and honored to have met Mrs. Tina back in December of 2021. She was an amazing woman who truly cared about her family and she always put them first. She was a very loving and caring person who'd give anything to anyone who was in need. Her love for humans was as much as the same for her love for animals. She treated them as equal. She is now in heaven given everyone her love and telling everyone her stories that was so near an dear to her. Mrs Tina will be truly missed but we also know that she's walking the streets of Gold with Jesus and singing His glory like she always talked about doing. I'm asking for God's healing hands to be placed on her family and that He will give them peace that passes All understanding.
