“ I remember Mrs. Mary always loving everyone. At one time in my life, I was really messed up and she helped me and talked to me. Then, on top of all that, she helped take care of my children when I was unable to. I loved this woman and her Mom. Now they both get to be our angels..

“ You were always such a sweet soul to me . Kind words and a gentle heart you always had to give . How I wish we could have saved you but God needed you for bigger things . I just pray that you watch over Nina and the family . Help guide them thru this life without the most important person in their life . Rest now, your work here is done . ❤️
