

Michael Samuel Buxton

August 9, 1966 - September 8, 2021

Michael Samuel Buxton, 55, of Purvis, Mississippi went to be with his Lord and Savior on September 8, 2021.

Michael, to those he cherished most, "Poppy", is survived by his wife, Vicky, of 23 years, 4 daughters, Michaela Buxton Klotch (Keith Klotch, husband), Bree Buxton Skinner (Brent Skinner, husband), Kara Buxton, and Madison Buxton Waldrup (Lane Waldrup, husband); his mother, Jodie Buxton; three brothers, Jason Buxton (Jennifer Buxton, wife), Jeffrey Buxton (Kelly Buxton, wife), and Brian Buxton (Melissa Buxton, wife); five grandchildren, Todd Michael Hatten, Beckett Skinner, Rachel and Jaxon Klotch, and Campbell Waldrup; 2 nephews, Cameron Buxton and Kaden Grissett; and four nieces, Kassidy and Kyleigh Buxton, Lauren Buxton and Khloe Grissett.

Michael is predeceased by his father, Bodie Buxton.

He loved the freedom of riding his custom Harley, tending to his Conures (Bonnie, Clyde, and Al Capone), long weeks camping, fishing, and spending endless hours on the river with his brothers, though, more than anything, Michael loved spending time on his back porch enjoying the simple things life offered.

Michael was always the center of attention wherever he went, and people naturally gravitated to him. He was quick to lend a helping hand to his friends and would stop everything to be there for his family.

He was devoted to his children and absolutely adored his grandchildren.

Michael's passing left a tremendous void for so many, and he will be truly

missed. The joy he brought to all of us, the laugh he loved to share, the smile he showed to everyone, the beard he refused to shave, will all be missed. Michael was a true, one-of-a-kind person, who cared so much for so many; he is loved by us all. We love you!
