“*Shelby and Terrell have been very special friends for almost all of my real estate career - spanning over 50 years. Shelby has contributed very significantly to the homebuilding industry in the Hattiesburg area - custom building, coaching some of the area's best builders of today, and building homes to sell on the market. Summer Place, Summer Tree, Heritage Place, Quail Hollow and Innswood were all areas where Shelby focused with her "quality first" and her special "Architectural Design by Shelby." Many families have appreciated these special homes for several decades. One of the best listings today is a "Shelby Howard Resale Home!" Lavon and I have enjoyed many neighborhood gatherings with Shelby and Terrell and I have loved "pop bys" when I especially needed a big laugh - Lots of sweet memories for me! Thank you, my friend Shelby, for the joy you have brought. You will be missed by man of us!*
