

## Shelia King

October 13, 1955 - February 16, 2021

On Tuesday, February 15, 2021, Shelia King passed away at age 65.

Shelia was born on October 13, 1955 in Hattiesburg, Mississippi. She had two children, Robert and Lauren, who were her favorite son and her favorite daughter, respectively. Her passions included traveling, photography, visiting strange cemeteries, and listening to podcasts about serial killers. Despite her macabre sense of humor, she was exceptionally loving and kind and always gave her heart to those in need. She would feed anyone and everyone outside the local Waffle House who looked hungry. She knit tiny hats for preemie babies.

However, don't let these facts fool you; she was tough and didn't go out without a fight. There's no doubt she's currently having a few words with Saint Peter about the cooking, or how there's a significant lack of live Willie Nelson music. Let's hope they have whiskey bars in heaven.

Shelia is survived by her son Robert and daughter Lauren, her daughter-in-law Katie, her grandchildren Ayden, Chloe, Elijah and Ella, her grand-chilla Emmerson, grand-tortoise Alice, seventeen grand-tarantulas, two grand-snakes Penelope and Ralf, a grand-fish Declan, and a grand-axolotl Opal. They all love her and miss her dearly (even the snakes).

Her family will be having a memorial service on Friday, February 19, 2021. She asked for a party, so bring a good sense of humor. A warning: if you cry, she might haunt you. Contact Robert King at (601-598-2123) or text him at (601-596-5366) for information about time and location
