

Steven Dale Head

October 21, 1976 - December 30, 2021

It is with great sorrow that the family of Steven Dale Head announces his untimely

passing on December 30, 2021. He was born in Lumberton on October 21, 1976.

He is preceded in death by his father, Wilmer Head and brother, Bobby Head. Dale

is survived by his beloved spouse and best friend, Richard Edwards; devoted mother, Margie Prince Abercrombie; brothers and sister in law, James “Jimmy”

Head and Kenneth and Brenda Head along with numerous nieces, nephews, extended family and friends. Dale was one of a kind. His generosity was second

nature. He had a peaceful, logical and charming personality. He could easily draw

people in with his witty stories and entertain everyone with minimum effort.

Dale

was undoubtedly the limelight of every company. His talents were countless, from

self-taught piano to being a renowned pet groomer. He and Richard owned Affinity Retreat where they spent most of their time in their own world. They built

their lives together over the span of 20 years. Their life was their dogs,

business,

friends and above all each other. No matter how much we try to put our love for

him into words, we find out that words are not enough. Dale filled our hearts with

his friendship that we will treasure forever. A Celebration of Life will be held at a

later date to be announced. Pinehaven Funeral Home is entrusted with the care of

Mr. Steven.

“ I met Steven in May 2021. It shouldn't have happened. I'm from Texas and he from Mississippi. We were in Natchitoches for our 50 th anniversary of our first date, and he and Richard were on their honeymoon. We are worlds apart. We met on a barge trip down the Cane river. I was seasick and had barf all over me. The crew put on some dance music and Dale grabbed me and held me close. He told me that a barf necklace was his go-to move. I was at ease instantly. I caught lightning in a bottle when I met Dale. He touched a deep part of my soul and I will always have fond memories. All friends and family and Richard will be in my continuing prayers. I am grief stricken with his passing. We will see each other again. Just not here.
