

Thomas Clinton Barron

July 5, 1957 - May 14, 2022

Thomas Clinton Barron “Tom”, of Hattiesburg peacefully passed away Saturday May 14, 2022 at home with his family by his side. Visitation will be Thursday, May 19, 2022 at Pinehaven Funeral Home from 5-7pm. Per Tom’s wishes a private family memorial will be held at a later date.

Tom is a native of Hattiesburg born July 5, 1957. He was dedicated to his family. Married to his devoted wife Sandy of 41 years. Tom worked as the manager of Hattiesburg Police Department service center until his retirement. He was proud of his contributions to the Hattiesburg Police Department. Tom was a very skilled mechanic and a jack of all trades. He was always willing to help family and friends or a complete stranger with any mechanical problem. And when he wasn’t helping someone, you could find him in his shop doing what he loved. People from all over sought his advice. His hobbies included, motorcycle riding, racing cars, working on old trucks, fishing, and hunting. One of his greatest joys was in sharing his love of riding, fishing, and hunting with his daughters, grandchildren, nieces, and nephews. Tom enjoyed cooking for his family and friends. He was a master at frying his Thanksgiving turkeys. They will definitely be missed! In fact there is a lot of concern about this next Thanksgiving.

Tom is preceded in death by his parents, Joe and Bettye Barron and a brother, Richard Barron all of Hattiesburg.

He is survived by his wife Sandy Williams Barron, daughters Wendy Barron and Amanda Bounds (son in law Chad Bounds), grandchildren Madison Clare Stewart, Samuel Barron Nicholas, Macy Jade Bounds, and Molly Jean Bounds all of Hattiesburg.

In lieu of flowers please make donations to the American Cancer Society.

“ Dear Sandy, Wendy, Madison, Samuel, Amanda, Mike & Kathy, Debbie, Austin and Shelby, and Family,
We wish we could be there with you all. We hope you know that you are not alone in mourning the loss of Tom. He was such a big hearted guy, always looking out for his family and friends, or anyone who needed help with something.
Living in Florida, our part of the extended family didn't get to see Tom and Sandy, and the family a lot, but Tom was so easy to reconnect with when we did visit. He always had a little twinkle in his eye, and made everyone feel welcome in his home.
During our visit last year, he and Sandy opened there home to us, and Tom kept us well fed with his wonderful cooking.
He liked to share memories of his family. He was so proud of all of them. He talked about his parents quite a bit, and his brother when we were there. And of course, his Sandy, his daughters, and his grand children.
Seems he had a story about everyone in the family.
Tom was also a determined man, and liked to be in charge of his life and health. He didn't see a setback when people told him he couldn't do this or that. He would just accept th the challenge and go about his business, quietly striving to prove them wrong. And he did many times.
Tom loved his work, and was admired by many for his mechanical skills. He used those skills to help so many and to teach many as well.
Tom will be greatly missed by his family and friends. He will be remembered often by his family and friends in the community.
We are thinking of Sandy, and of all the family as you try to find your way through this difficult time. Yet we know God is always there to take us by the hand, and walk with us step-by-step, strengthening us on our journey.
We love you all so much, please know how much you're being thought about, and how deeply you're wished the gentle comfort of sweet memories.
Please except our deepest sympathy.
Love, Doris, Rita, Carol and Larry, Steve and Lisa
